- ii. Client has not relied upon any prior or contemporaneous proposal, term sheet, letter of intent, or other similar document in entering into the Agreement, that it has not relied upon any prior or contemporaneous written or oral representation, warranty, statement, promise, or guaranty not contained in the Agreement, that no representations, warranties, statements, promises, or guarantees exist that are not contained in the Agreement, and that it has made its own investigation into its technology requirements in making the Agreement;
- iii. the Agreement will not cause Client to violate any law, code, ordinance or court order; Client is not purchasing the Purchased Equipment for resale or on behalf of any other person or entity;
- iv. nothing in Client's facility or any other location of the Hardware will prevent, restrict, or interfere with Crunchsoft's performance of the Work, or will damage or injure Crunchsoft, or its Affiliates or equipment (including, but not limited to, construction defects, insect infestation, environmental hazards, fire code violations, mold, structural problems, or the existence of anything or anyone whatsoever that violates any law of the State of Wisconsin or the United States);
- v. the Agreement will not violate any other agreement or restriction binding Client;

13. Acknowledgments. Client acknowledges and understands all of the following:

- i. if the Estimate and/or Proposal and/or Quote includes any email hosting, such hosting will be performed through the use of a third party hosting service;
- ii. additional Hardware and Software may be necessary to perform the Work, and all such Hardware and Software will be obtained at Client's sole expense;
- iii. although the Managed Services detect and protect against many threats to Client's systems, the Managed Services are not designed to, and may not, detect or protect

against all threats to Client's networks, Hardware, and Software, including viruses, malware, spyware, bugs, data degradation, errors, problems, vulnerabilities, defects, bugs, Hardware failures or malfunctions, malicious attacks, malicious software, email scams, or other hazards;

iv. absolute security against all information or computer-related threats is not realistically achievable and security breach, information release or disclosure, privacy breach, or similar occurrences may occur from time to time;

v. without limiting any other provision of the Agreement, any change, use, run, installation, uninstallation, disabling, override, alteration, modification, end, stoppage, addition, deletion, or removal of any Hardware or Software on any Hardware or Software included in the Work is at the Client's own risk;

vi. the Work and the Purchased Equipment are not fault-tolerant, may fail from time to time, and are not designed or intended for use in hazardous environments requiring fail-safe performance (including, but without limitation, the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, weapons systems, life-support machines or any other application in which the failure of the products, software or services could lead directly to death, personal injury, or severe physical or property damage);

vii. if Client, or a third party, possesses, requests, or accepts any administrative privileges to any of the Hardware or Software, Client is solely responsible for such Hardware, and Crunchsoft may remove such Hardware from the Managed Services (without a decrease in the Monthly Fees); and

viii. if Client or any third party possesses, requests, or accepts any administrative privileges to any of the Hardware or Software, Crunchsoft no longer has sole control of such equipment, and may not be able to identify who has operated such equipment, or what such persons have done to such equipment.

v. LOSSES OF ANY KIND OR TYPE RELATED TO ANY DATA MIGRATION, DATA TRANSFER, DATA REPLICATION, DATA BACK UP, OR SIMILAR SERVICES.

B. Limitation on Damages. NOTWITHSTANDING ANYTHING TO THE CONTRARY, CRUNCHSOFT'S AGGREGATE LIABILITY FOR ALL OF CLIENT'S LOSSES (WHETHER IN TORT, CONTRACT, WARRANTY, INDEMNITY, CONTRIBUTION, OR OTHERWISE) ARISING OUT OF OR RELATED TO THE AGREEMENT OR ANY GOODS OR SERVICES PROVIDED THEREUNDER (INCLUDING THE WORK) MAY NOT EXCEED THE TOTAL COMPENSATION THAT CLIENT PAID TO Crunchsoft DURING THE TERM.

C. No Warranty. EXCEPT FOR ANY WARRANTIES EXPRESSLY PROVIDED IN THE AGREEMENT OR ANY WARRANTIES GIVEN BY AN ORIGINAL EQUIPMENT MANUFACTURER, THE GOODS AND SERVICES DELIVERED UNDER THE AGREEMENT (INCLUDING THE PURCHASED EQUIPMENT AND WORK) ARE PROVIDED "AS IS", "WHERE IS", "AS AVAILABLE", "WITH ALL FAULTS" AND WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED. CRUNCHSOFT DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF SUITABILITY, MERCHANTABILITY, GOOD AND WORKMANLIKE QUALITY, TITLE, NON-INFRINGEMENT, RELIABILITY, TIMELINESS, QUITE ENJOYMENT, AND FITNESS FOR A PARTICULAR PURPOSE OR USE.

THE INDEMNITIES IN THIS SECTION 15 INCLUDE, BUT ARE NOT LIMITED TO, CLAIMS, SUITS, ACTIONS, AND PROCEEDINGS WHETHER ADMINISTRATIVE, CIVIL, CRIMINAL, INVESTIGATIVE, APPELLATE, MEDIATIVE, ARBITRATIVE, OR LEGISLATIVE. THE INDEMNITIES IN THIS SECTION 15 ALSO INCLUDE, BUT ARE NOT LIMITED TO, COVERAGE WHETHER SUCH CLAIMS, SUITS, ACTIONS, OR PROCEEDINGS ARE DECIDED ON THE MERITS OR OTHERWISE, AND FOR ALL SETTLEMENT OF SUCH CLAIMS, SUITS, ACTIONS, OR PROCEEDINGS, REGARDLESS OF WHETHER FAULT IS DESIGNATED IN SUCH SETTLEMENTS.

B. Client's Duty to Defend and Attorney's Fees. Client's duty to defend in this Section 15 includes the prompt payment of all attorney's fees, and other costs and expenses related to such defense. Without limiting the foregoing, an indemnified party may maintain counsel of its choosing, and Client's duty to defend shall extend to the payment of such counsel's fees, costs and expenses. An indemnified party is not required to provide Client with anything more than a summary invoice from its counsel. The provisions of this Section 15 will survive the termination of the Agreement.

16. Non-Solicitation. During the Term and for a period of three years thereafter, Client shall not, directly or indirectly, solicit, offer, discuss with, approach, cause, or attempt to cause any Affiliates of Crunchsoft to discontinue their relationship with Crunchsoft or to become Affiliates of Client.

- iv. Client fails to maintain consistent communication with Crunchsoft; Crunchsoft sends courtesy notice, consisting of established client contact information on file, after 23 days of absent communication between Client and Crunchsoft. Client then has 7 days to contact Crunchsoft; should there be no contact from the Client to Crunchsoft and its staff for longer than the indicated 30 days, the services outlined in the Agreement, Estimate and/or Proposal and/or Quote are considered satisfactory and completed. Any and all payments made to Crunchsoft are non-refundable from Crunchsoft for any reason.
- v. any representation or warranty of Client is untrue or becomes untrue during the Term;
- vi. Client or its Affiliates commit or permit any other default under or breach of the Agreement or any other agreement between Client and Crunchsoft; or

ix. passes a resolution, or has proceedings commenced against it (which are not stayed within 60 days of service thereof) in the nature of bankruptcy or reorganization resulting from insolvency or for its liquidation or for the appointment of a receiver, trustee in bankruptcy or liquidator of its undertaking or assets;

B. Termination by Crunchsoft. If Client is in default under the Agreement, then, in addition to the rights specified under Paragraph 18. B., Crunchsoft may do any one or more of the following:

- i. immediately stop performance of the Work (without affecting Client's obligation to continue to pay for such Work, even if it remains unperformed);

- ii. such failure is not cured by Crunchsoft within 120 Days after receipt by Crunchsoft of written notice from Client of such failure or such longer period of time as may be reasonably required to cure such failure.

D. Remedies. In the event of termination of this Agreement by Crunchsoft:

- i. Client shall cease all further use of the Hardware and Software, or any portion thereof, in all forms and on all media and Client shall immediately: (i) surrender and deliver the Hardware and Software to Crunchsoft; and
- ii. Client shall pay all fees and amounts owed to Crunchsoft under the Agreement, through the date of expiration of the Term.

18. Security Agreement.

Interest") in any of the following, whether now owned or hereafter after acquired (collectively, "Collateral"): (i) the Purchased Equipment; (ii) any other Hardware and/or Software delivered, sold, provided, installed, purchased, or serviced by Crunchsoft under the Agreement; and (iii) the proceeds from any of the foregoing.

B. Default and Security Interest. If Client defaults under this Agreement, Crunchsoft may (i) enter upon the Client's property and take possession of all Collateral, without liability for trespass or conversion; (ii) keep, or sell at public or private sale, such Collateral in accordance with Chapter 409 of the Wisconsin Business and Commerce Code (the "UCC"); and (iii) take any other action permitted to a secured party under the UCC. The proceeds from any such sale, less any and all expenses connected with the taking of possession, holding and selling of the Collateral (including attorneys fees), will be credited against the indebtedness secured by the Security Interest.

C. Purchase Money Security Interest. If the Security Interest constitutes a purchase money security interest against any of the Collateral, Crunchsoft may exercise its rights hereunder against such purchase money security interest Collateral after all other Collateral has been exhausted. Any surplus will be paid to Client or as otherwise required by law. Client shall promptly pay any deficiencies.

D. Waiver of Notice. Except as provided in the Agreement, Client waives all rights to notice of default, notice of intent to accelerate, notice of acceleration, notice of sale, or any other notice whatsoever. This Agreement constitutes a security agreement under the UCC. Crunchsoft may file this Agreement, a UCC Financing Statement, and a fixture filing as necessary, to perfect the Security Interest.

19. Export Compliance.

A. No Export and Relief from Performance Obligation. Notwithstanding anything in the Agreement to the contrary, Crunchsoft is not obligated to perform the Work or deliver any Purchased Equipment if doing so would constitute an export under, would require licensure under, or would otherwise violate any Export Control Law. Client shall not use, disclose, ship, transport, sell, or export, directly or indirectly, any Hardware, Software, Purchased Equipment, networks, and other equipment (or any Hardware or Software on or through which the Work will be performed, as well as any component or product of the Work or any of the foregoing) that is the subject of the Agreement, to any destination or person if such disclosure, shipment, transport, sale, or export is prohibited by any Export Control Law. Client shall notify Crunchsoft of any export of any Purchased Equipment, products or components thereof, or any products of the Work.

B. Compliance with Laws. Client, and its Affiliates, shall comply with all United States export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799, in the performance of this contract. Client shall obtain the appropriate licenses or

other approvals, if required, for exports of Hardware, technical data, and Software, or for the provision of the Work or other technical assistance.

C. No Export by Client of Hardware or Software. Client, and its Affiliates, shall not use, disclose, ship, transport, sell, or export its Hardware, Software, Purchased Equipment, networks, and other equipment (or any Hardware or Software on or through which the Work will be performed, as well as any component or product of the Work or any of the foregoing) that is the subject of the Agreement in any way involving military end-customers or foreign government anywhere, including (but without limitation) any of the following:

- i. any foreign army, navy, air force, militia, or other agency of defense;
- ii. defense contractors;
- iii. agencies, corporations, or similar organizations of foreign governments;
- iv. resellers who may sell to any of the foregoing; or
- v. foreign persons who may be associated with any of the foregoing.

D. Record Keeping Requirements. Client, and its Affiliates, shall comply with all regulatory record keeping requirements associated with all Export Control Laws. Crunchsoft may inspect the books and records of Client from time to time to confirm compliance with Export Control Laws. Upon request from Crunchsoft, Client shall promptly provide Crunchsoft with information pertaining to the particular end customer, the particular destination and the particular intended use of the Work, the Purchased Equipment, and all other goods and services provided by Crunchsoft.

E. Client Representation and Warranties. Client, and its Affiliates, represents and warrants that the Hardware, Software, Purchased Equipment, networks, and other equipment (or any Hardware or Software on or through which the Work will be performed) that is the subject of the Agreement is not designed with security and access management for the processing or storage of the following categories of data:

- i. data that is classified and or used on the U.S. Munitions list, including software and technical data;
- ii. articles, services and related technical data designated as defense articles and defense services;
- iii. data related to, or subject to any Export Control Laws; or
- iv. other data that is subject to heightened security requirements as a result of Client's internal policies or practices or by law.

20. Miscellaneous.

A. Use of Words, Section References. Whenever the context requires, the gender of all words used in the Agreement included the masculine, feminine, and neuter. Unless otherwise provided, all references to Sections refer to sections of the Agreement, and all references to Exhibits are to exhibits attached hereto, each of which is made a part hereof for all purposes. Unless expressly provided otherwise, the word “includes” (and all variations of its tense) and other words of specific enumeration are not limited by or to the items that follow them. The words "herein", "hereof", "hereunder" and words of like import refer to the Agreement as a whole and not to any particular Section or provision of the Agreement.

B. Headings. The headings and titles of each Section are for convenience only and do not amplify, modify, or limit such Section.

C. Joint Efforts. The Agreement will be construed without regard to any presumption or rule requiring that it be construed against the party causing the Agreement or any part hereof to be drafted.

D. Governing Law. THE AGREEMENT WILL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF WISCONSIN, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE. Any action arising out of, or related to, the Work or the Agreement must be brought in Wood County, Wisconsin. The parties agree that the UN Convention for the International Sale of Goods will have no force or effect on the Agreement.

E. Severability. If any provision in the Agreement is invalid or unenforceable, that provision will be construed, limited, amended, modified or, if necessary, severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the other provisions of the Agreement will remain in full force.

F. Assignment. Client may not assign the Agreement without the prior consent of Crunchsoft.

G. Force Majeure. Neither party shall be liable to the other by reason of any failure of performance hereunder (except obligations to pay) if such failure arises out of causes beyond such party's reasonable control, despite the reasonable efforts, and without the fault or negligence of such party (“Force Majeure”). “Force Majeure” shall include but not be limited to labor disputes, strikes, lockouts, riots, war, inability to obtain labor or materials, Hardware or Software, earthquake, fire, natural disasters, accidents, governmental restrictions, or other causes beyond the reasonable control of a party.

H. No Partnership or Joint Venture. Except as expressly provided in the Agreement, Crunchsoft is an independent contractor (not a partner, joint venturer, employee, or agent) of Client. The Agreement is not a contract for personal services. Crunchsoft may engage subcontractors to perform the Work.

I. No Waiver of Future Rights. No waiver is effective unless in writing signed by the waiving party. No waiver of any past or present right is a waiver of any future right.

J. Entire Agreement. The Agreement sets forth the entire agreement between the parties regarding its subject matter. If these Terms conflict with the Contract, these Terms will control. The Agreement supersedes all communications, oral or written, between the parties relating to its subject matter. Any prior or contemporaneous proposal, term sheet, letter of intent, or similar document is not binding on Crunchsoft, and that Crunchsoft disclaims any representations, promises, warranties, or guarantees made thereunder.

K. Amendments. No modification is binding unless in writing and signed by both parties.

L. Notices. Any notice shall be sent by hand delivery, fax, email, overnight courier, or postage pre-paid certified mail, return receipt requested, to the address or other contact of the receiving party set forth in the Contract (unless such party notifies the other of a change of address by notice in accordance with this Section at least 3 days prior).

M. No Third Party Beneficiaries. Except for an Affiliate of Crunchsoft, no third party beneficiary exists under the Agreement.

N. Expiration of Offer. The Estimate and/or Proposal and/or Quote expires as a contractual offer 10 days from the date of the Contract, unless signed and accepted by Crunchsoft and Client within such time or otherwise extended in writing by Crunchsoft.

O. Disputes. If a Dispute occurs that the senior representatives of the Crunchsoft and Client have been unable, in good faith, to settle or agree upon within a period of five (5) Business Days after receipt of written notice by a party of the dispute sent by the other party, each of the parties shall nominate and commit one of its senior officers to meet at a mutually agreed time and place not later than ten (10) Business Days after receipt of that notice to attempt to resolve the dispute. If senior management has been unable to resolve the dispute within a period of five (5) Business Days after their meeting, or if the meeting has not occurred within ten (10) Business Days following the receipt of notice of Dispute, then either party may, by written notice to the other party, pursue its remedies in a court of law.
